

AWISA 2018 ELECTRICAL INSTALLATION FORM WOOD & PANEL PROCESSING - Stands 1101-1858

Clifton Productions is the co-ordinator for all power and lighting installations on Level 1 of the exhibition. This service includes hire, installation and removal of all equipment to display stands. Please complete this form and forward together with payment for any amount over your allowance. Orders received onsite are subject to a 20% additional charge and are subject to availability. Exhibitors requiring three phase connections in excess of 32 amps, and any other exhibitors with queries, are asked to phone to discuss their requirements prior to completing this form. Please attach a plan of your stand showing approximate location of your lighting and power requirements, including estimated loading on each power connection. Electrical allowance cannot be used to pay for trusses. *Remember to order a power point for your Info Salon visitor tracker.*
