AUSTRALIAN WOODWORKING INDUSTRY SUPPLIERS ASSOCIATION LIMITED

MEMBERSHIP INFORMATION

AWISA was formed in 1986 by the principal suppliers to the Australian woodworking industry, to bring together suppliers of machinery, tooling, materials, fittings and services to the furniture, cabinet making, kitchen, joinery, shop and office fitting and other wood, timber and panel processing industries.

The main aims of AWISA are to promote and present industry exhibitions in Australia by organising one major exhibition every two years, and to encourage members to participate only in the Association's own exhibitions.

Other aims of the Association are to provide a means for the exchange of views among members of the industry; to further the interests of members both nationally and internationally; to represent members in negotiations at government level on matters of common interest to members; to represent members in negotiations for co-operation with other organisations affecting the woodworking industry, and/or to become members of such organisations; to obtain maximum publicity for the industry; and to maintain industry standards at a high level.

Membership of AWISA is open to all suppliers from any of the various sectors of the trade. Membership applications are welcome from Australian based companies, and from overseas companies with Australian agents or distributors who are also members of AWISA.

In 2009 AWISA changed from being an incorporated Association to being a Company limited by guarantee.

Companies interested in membership should complete the application for membership overleaf, and send to AWISA Limited, P.O. Box 895, Bowral NSW 2576, or scan and email to info@awisa.com.

For further information contact AWISA Limited on 0412 361 580 or email: info@awisa.com
